

RAINWATER HARVESTING

BE WATER WISE! SAVE-A-DROP! FUN for the Kids!
Plants love RAINWATER!
RECYCLE & REUSE, HELP THE PLANET!

WHAT WILL YOU NEED??

Student Painted Rain Barrels

~ Concordia Elementary School,
San Clemente, CA 92672

~Recycled plastic 'food quality' drums - search for 'rain barrel' on Craigslist or Anaheim suppliers: Cost approx. \$20/ea.

Dave Cox 714-780-1171 or
PJ Montrone 714-765-9096
-pick-up; home delivery extra!

~WaterSaver diverter (for downspout) from www.gardenwatersaver.com in CANADA - Cost \$22/ea. + Shipping

~Plumbing - standard hose bib - Cost \$5/ea.

~Plumbing to connect more than one barrel together (as shown), PVC & flexible plastic tubing from hardware store.

~Painting **OPTIONAL**...but FUN! Most recycled drums are blue, but you can paint them another color.

Supplies from *DeNaults* or *Walmart*, etc. Look for 'Krylon for Plastic' spray paint for base coat (usually 2 cans, plus plastic trigger sprayer attachment, a must!!).

Acrylics are used for art designs & clear UV spray paint for protection.

REMEMBER... USE IT UP BETWEEN RAINS SO YOU CAN COLLECT MORE!!
